

# **LOCAL CHAMBER MEMBER BENEFITS**

## **-BULK MAILING PERMIT**

The Chamber is offering to make our bulk mailing permit available to our members. A considerable amount of money can be saved by using this permit. If you are having materials printed up the bulk mailing permit can also be printed on this material, but if you are using envelopes the permit will need to be stamped on each of them. You will need to pick up form 3602-EZ, November 2009 from the Post Office. Make sure that you **do not** get a **nonprofit form**. The first form needs to be filled out with the Chamber's address, phone number, permit number and total amount of postage and needs to be signed by the person filling out the form and by the Chamber office secretary. On the second form you will need to fill out Part D – letter/machine able – Mixed AADC. A zip code breakdown will also need to be submitted.

## **-MEMBER TO MEMBER BENEFITS**

One of the many benefits of being a Bellevue Area Chamber of Commerce member is having the opportunity to participate in our Member-to-Member Discount Program. This special program offers Chamber of Commerce members (and their employees) discounts on products and services from other Chamber members. It also helps your business increase its visibility in the business community. Member-to-Member discounts are promoted throughout the year via the Bellevue Area Chamber of Commerce website, and other emails, and/or promotional flyers distributed by the Chamber. Discounts are publicized for one year. Any discount made available via the program must be better than any other advertised promotion typically offered.

## **-CHAMBER AMBASSADORS**

The Chamber Ambassadors is a prestigious group of Bellevue area citizens selected to represent their community at various functions. This small group of trained individuals will be available to Chamber members and the city to serve as “hosts” for events. Contact the Chamber for further information.
