

## Member-to-Member Discount Program Application

One of the many benefits of being a Bellevue Area Chamber of Commerce member is having the opportunity to participate in our Member-to-Member Discount Program. This special program offers Chamber of Commerce members (and their employees) discounts on products and services from other Chamber members. It also helps your business increase its visibility in the business community.

Member-to-Member discounts are promoted throughout the year via the Bellevue Area Chamber of Commerce website, and other emails, and/or promotional flyers distributed by the Chamber. Discounts are publicized for one year. Any discount made available via the program must be better than any other advertised promotion typically offered.

### The following Discount Criteria must be met in order to participate in this program:

- Participant must be a Bellevue Area Chamber of Commerce member in good standing.
- Discount needs to have a specific value.
- Discount must be exclusive to Chamber members rather than a general discount offered through other organizations.

### Approval Process

- All discounts must be approved by the Chamber's Executive Director prior to its appearance on the Chamber of Commerce website.
